

Partner Response Form

Instructions

To submit Product Control Measures, complete Sections I, II, III, IV, and V below. Fields highlighted yellow are required. Click on each field for additional instructions. EPA will not accept Partner Response Forms that do not include a representative signature at the bottom.

Save your completed form as "Testing Failure_[Company Name]_[EPA Case Number]" and submit the form to enforcement@energystar.gov. EPA will review your submittal, and notify you once the form is approved or if additional information is necessary.

Section III: Certification of Product Control Measures (PCM)

For the model numbers in Sections I and V, the company named in the Partner Name field of Section I is undertaking the following measures. Note: If you seek to deviate from the proposed measures after EPA has approved them, you must notify EPA prior to making any changes.

1) Inform the distribution chain that the model(s) is/are not ENERGY STAR certified:

EPA requires that you inform all downstream parties to whom you directly sold the model as ENERGY STAR certified in the last two years, including distributors, online and in-store retailers, consumers, and other affected organizations (e.g., utilities), that the model(s) is/are no longer ENERGY STAR certified. Specifically, the following statement must be included in all communications: "This product failed verification testing and has been disqualified from ENERGY STAR." Use the table below to submit a list of these entities. Note: If you need additional rows, please submit along with this form a word document listing the other organizations contacted. Enter "N/A" for any unused rows.

Organization Name: e.g., <i>Big Box Store</i>	Organization Type: e.g., <i>National Retailer</i>	Proposed or Actual Completion Date: e.g., <i>3/15/2012</i>
NA	NA	NA
NA	NA	NA
NA	NA	NA
NA	NA	NA
NA	NA	NA
NA	NA	NA
NA	NA	NA
NA	NA	NA

CFL and ILL products only: If the distribution chain you've listed above includes one or more of the product retailers identified in EPA's testing failure email to your organization, you must include the EPA-provided contact(s) for that/those retailer(s) as part of your downstream notice that the model(s) is/are no longer ENERGY STAR certified. By checking the box at right, you indicate you have or will contact the applicable contact(s) by the completion date(s) listed above.

☐

2) Remove the ENERGY STAR mark from all:

a) **Affected Units:**
(within your control)

Applicable?

N

Proposed or Actual
Completion Date:

Number of Units:

b) **Unit Packaging:**
(within your control)

Applicable?

N

Proposed or Actual
Completion Date:

Number of Units:

c) **Website References to Model(s):**

Applicable?

N

Proposed or Actual
Completion Date:

URL of Modified Website:

d) **Marketing Materials:**
(e.g., spec sheets)

Applicable?

N

Proposed or Actual
Completion Date:

Example of Modified Marketing Material:

Section IV, Part 1: Additional Model Numbers

If submitting for windows, doors, and skylights products, proceed directly to Section IV, Part 2

Use this section for affected family models. Fill out a new form for any models requiring different actions or estimated completion dates from those entered in Section III.

Additional Model #:		Units Shipped in Last 6 Months:		Date of Last Sales Shipment:	
Additional Model #:		Units Shipped in Last 6 Months:		Date of Last Sales Shipment:	
Additional Model #:		Units Shipped in Last 6 Months:		Date of Last Sales Shipment:	
Additional Model #:		Units Shipped in Last 6 Months:		Date of Last Sales Shipment:	

Section IV, Part 2: Affected Product Options

Complete this section only if submitting for windows, doors, and skylights products

Use this section to identify all affected product options within the product line of the model number entered in Section I.

Identify affected product options of failed model(s)

List the National Fenestration Rating Council (NFRC) Certified Products Directory (CPD) number for any product options qualified on the same basis as the product that failed testing. For example, affected product options may be grouped with or otherwise share components or other product features with the product that failed testing, and a result of the issue(s) identified during verification testing, the affected product options would also fail to meet the ENERGY STAR requirements. Any affected product options you elect to identify below will need to be reviewed and confirmed by NFRC prior to EPA review of your submittal. Please include with your response a written confirmation letter from an NFRC representative.

If you need additional rows, submit with this form a supplementary document listing the additional affected product options. Enter "N/A" for any unused rows. If no additional product options are affected by this failure, provide an explanation in Section V.

Product Line Number:	CPD # of Affected Product Option:	Explanation: (optional)
	NA	NA
	NA	NA
	NA	NA
	NA	NA
	NA	NA
	NA	NA
	NA	NA
	NA	NA
	NA	NA
	NA	NA

Section V (optional): Additional Comments

Use this section to provide EPA with relevant information not included elsewhere in this form.

This product option was simulated by itself and it had no product groupings. This product option has never went to any downstream parties such as distributors, online or in-store retailers, consumers or other affected organizations such as utilities. We do not sell to big box stores and are made to order products. Those products, when manufactured, receive labels and since the only product option we manufactured was on 11/10/16 for the NFRC IVP test we did not have to remove product or labels from anywhere downstream. On May 8, 2018 we voluntarily removed the product from our database so that if anyone did ever purchase this same unit it could not be labeled for ENERGY STAR.

Representative Signature

As a representative of this company, I hereby certify on its behalf as to the actions taken or to be taken by it, as described above. Failure to implement these actions as indicated, or to inaccurately certify as completed, may result in partnership suspension or termination, or the loss of other ENERGY STAR program benefits. I understand that intentionally submitting false information to the U.S. government is a criminal violation of the False Statements Act, Title 18 U.S.C. section 1001.

Name (First & Last)

Date

I agree to the above statement
